Beach Paws Policies

FEES: Owner agrees to pay the rate of boarding in effect on the date the pet is checked into the kennel.

- * \$29 per night (all size canine boarders)
- * \$13 per night (all feline boarders)
- * 10% discounts for 2 or more pets and all military
- * Daycare Prices
 - \$20 full day (anything over a 5 hour period)
 - \$12 half-day (5 hour or less period)
- * Grooming Fees: depends on size, style, and other services (bath, nails, anal glands, etc.)
- * Your pet will not leave the kennel until all fees are satisfied

CHECK-IN AND ARRIVAL: We open at 7AM and close at 6:30PM. Owners may check in their pets at any time during these hours. Any pet not picked up by closing time will be kenneled for the night and an extra night boarding fee will be added to your bill. We ask that all dogs be leashed and under your control when they come in our door and all cats should be in ventilated cat carriers.

VACCINATION/MEDICAL REQUIREMENTS: All canine boarders need to be up-to-date on distemper/parvo, rabies, and bordetella vaccines. All feline boarders need to be up-to-date on distemper and rabies vaccines (feline leukemia vaccine is recommended, but not required). Our state license requires that we have a full and current record of your pets' vaccines in our possession. We cannot daycare, board, or groom without this record. In addition, you acknowledge that your pet is in good health and has not shown any evidence of illness or disease in 14 days prior to visiting the kennel. Also you acknowledge that your pet has had proper wait periods for vaccines (bordetella vaccine requires 10 day wait period prior to boarding). Pets adopted from the shelter must have 30 days in-home care prior to visiting Beach Paws Pet Resort.

FLEAS & TICK TREATMENT: It is critical that our kennel stays free of ticks and fleas. If a pet comes in with these pests, our staff will administer a flea treatment and this cost will be added to your bill.

PUPPIES AND KITTENS: What a great place to learn socialization skills! Pets must be at least 12 weeks old to stay with us and have received all sets of veterinarian - administered booster vaccines, including BOTH bordetella boosters (can come 10 days after 2nd bordetella vaccine). Rabies vaccination is required by 16 weeks of age. Keep in mind that younger pets' immune systems are not fully developed and are more at risk for illness.

SPAY/NEUTER: Many kennels that offer comingled play will not accept dogs into play situations unless neutered by one year of age. We are more flexible but we fully support this policy. Males not neutered and females not spayed by one year of age usually are "non-comingles" meaning that their free play is very, very limited. We especially do not want to manage a female in heat as this causes many problems.

MEDICAL EMERGENCIES: If a pet becomes injured or sick, our first call is to you. If we cannot reach you or your emergency person, we will use our own discretion to seek out veterinarian care, preferably at your own service or if after-hours, at Banfield or the emergency vet service. This cost will be added to your bill. Please let us know in detail at boarding or daycare time if your pet has a chronic health problem so we can carefully monitor health. In addition, elderly dogs and anxious dogs can be kenneled in a protected environment and receive nightly monitoring.

OUR FINANCIAL RESPONSIBILITIES: Owners must understand that dogs play with their mouths and their feet. We offer a supervised comingled play situation but we cannot be financially responsible for the rough and tumble play of pets. If we are negligent, we will pay for a dog's injuries. However, if the injury takes place as part

of open play, we cannot assume this financial responsibility. Sports injuries, such as a torn ACL, are not due to our

Beach Paws Policies CONT.

negligence. In addition, kennel cough cannot be controlled in all environments. We offer a very clean facility, air cleaners attached to our HVAC system, and careful vaccine monitoring. If your dog is prone to kennel cough, this environment may not be right for them.

AWAY FROM HOME: Our state license requires you to bring your pet's food in zip-lock bags or sealed plastic containers. It is always better for your pet to have a consistent diet. Otherwise, we provide IAMS dry food at a cost of \$2 per day for two meals. We make every effort to coax your pet to eat including warming food, adding chicken broth, wet food if owners agree, and chicken and rice meals for upset tummies. We feed separately and will hand feed if needed. Pets boarding together will be fed separately unless instructed differently by owner. In addition, we offer cots and blankets for sleeping. If you bring extra bedding, toys, etc., we will do our best to keep up with your possessions but if lost or torn up, we cannot be responsible for that loss.

MEDICATIONS: North Carolina regulations require that all prescription medications must be provided in the original container clearly labeled with name, strength and dosing instructions. We keep a separate log for medication management.

NIGHT CARE: A staff member is on premises from 7 PM - 7 AM. This staff member lets out all dogs between 9 PM and midnight. Vulnerable dogs spend the night in our bedroom.

I have read and agree to the terms listed above.

OWNER SIGNATURE: _____ Date: _____

Comingling Agreement

I give _____ or DO NOT give _____ permission to Beach Paws staff to supervise my pet in a play environment with other animals. By giving this permission, I accept that there is a certain risk associated with comingling animals unknown to each other. All animals will be screened for aggressive behavior before comingling. Except for acts of gross negligence by the staff, Beach Paws Pet Resort does not accept liability for injury in a supervised play environment. Owner authorizes pet to be treated as deemed best by Beach Paws and owner shall pay for all expenses involved in treatment. Owner releases Beach Paws from any and all liability (including attorney fees, illness, injury, or death) that may occur to your pet while at Beach Paws.
